

## TF100 - FRONT OR BACK SIDE LABELLING

TF100 is a Print&Apply solution especially designed for flexible and reliable Front or Back side labelling - either working from over or beside the conveyor. Can in some applications also be used for side labelling.

The TF100 has the reliable, robust and easy to use design - as seen on all the Mectec family machines. It is proven to give you 24 hours reliable labelling for many years to come!
